

**FORM #3 - Emergency Information**

In consideration of our units being attached to each other, please submit current information should we need to contact you in the event of an emergency.

Please provide information on two (2) individuals who have a key, alarm code if applicable, and can reach your unit within 30 minutes or less in the event of a serious emergency (fire, burst water pipe, etc). Should it be necessary for the Association to forcibly enter your unit in order to minimize damage to your unit and to other adjoining units, all damages and related repairs due to a forcible entry would be your responsibility.
